

MYRMETICS

TECHNOLOGY. TALENT. TRUST.

COMPANY PROFILE · 2026

Myrmetics Company Profile

Global Microsoft Dynamics implementation, enterprise staffing, consulting, and product delivery.

12+	240+	600+	18
Years delivering	D365 implementations	Consultants	Countries

Who we are

Myrmetics is a global technology services firm delivering Microsoft Dynamics 365 and Power Platform programs, enterprise talent, advisory consulting, and our own operations product. We are measured on business outcomes — time to go-live, run cost, adoption, and retained capability.

Service lines

Practice	Scope	Typical engagement
Microsoft Dynamics	F&O, Business Central, CE, Power Platform, Copilot	Implementation, rollout, support
Manpower staffing	Named consultants, pods, managed capacity	72-hour CV turnaround
Consulting	Assessment, architecture, program recovery	4-8 week engagements
Product — OpsGrid	Operations visibility and control layer	Subscription + onboarding

Credentials and compliance

- Microsoft Solutions Partner — Business Applications, Digital & App Innovation, Data & AI.
- ISO/IEC 27001:2022, ISO 9001:2015, ISO/IEC 27701 information and quality management.
- CMMI Level 3 appraised delivery; SOC 2 Type II aligned controls.
- D-U-N-S® 86-092-4471 · CIN U62099DL2014PTC271840 · GSTIN 07AAMCM4471K1ZP.

Global presence

Offices and delivery centres in New York, Toronto, London, Amsterdam, Dubai, Riyadh, Singapore, and Bengaluru, providing follow-the-sun coverage across 18 countries.

Proof of delivery

Client type	Outcome	Measure
Global manufacturer	Four ERPs consolidated to D365 F&O	Close cycle 11 → 4 days
Banking group	Service and onboarding on CE	Onboarding 9 → 3 days
Logistics operator	Warehouse and transport modernisation	Fulfilment cost -18%

Why clients stay

- 98% client retention with named delivery accountability.
- 4.8/5 customer satisfaction across engagement surveys.
- Standard-first design that keeps custom code below eight percent.
- Capability transfer built into every statement of work.
